Fire: Dan informed that the fire department received a grant for a new skid pack.

BPA- Mike Balash informed council of the \$10,000 grant that was awarded to the wanted department.

Mike discussed talks with Tusc. County about possible connection to their water system as a back up plan for the village.

Public Speaks-

- Andy Oswalt from Marathon discussed the pipeline break. Informed everyone that the break was fixed. No one was injured and no damage to property other than landscaping. Marathon will fix the property.
 - The cause of the break is under investigation. Once the investigation is complete, Andy will have a meeting with the village to discuss the findings.
 - Andy informed everyone of the preventive maintenance that is performed on the pipeline to detect any problems.
 - Andy presented a \$10,000 check to the Fire department for their help putting out the fire.
- Jack Bowman- discussed his Eagle Scout project with council. He will be constructing a free library for public use.
 - The library will be constructed at the community building. Linda Muir will work with Jack as to where to place it.
 - Robert Cypersky donated \$400 to the project.
- Tim Reynolds Thanked Mayor Stropki and Mike Mangeris for the clean up that Don Brown has done on his property.
